I sent to Roadmaster Gale Free. This is his first knowledge of this order. He will get the signs and get them up ASAP, however it will be next week before this is accomplished. This is on the Decatur Subdivision at m.p. BD 218.73.

As a reminder, note that temporary stop signs must be installed at this crossing by July 9, 2006, and maintained until warning devices are installed. Please advise when this is completed. Below is an excerpt from the Order:
